Understanding Wicca: Origins and Core Principles

The Roots of Wicca

Wicca is a modern pagan religion that emerged in the mid-20th century, primarily founded by Gerald Gardner in the 1950s. While Wicca is often considered a neo-pagan religion, it draws heavily on historical pagan practices, folklore, and mythologies from various cultures, particularly European traditions. Its development was influenced by the occult revival of the early 20th century, as well as the desire for a spiritual religion that celebrates nature and personal empowerment.

Core Beliefs and Principles

The fundamental principles of Wicca can be summarized through several key beliefs:
