The contested presidential election of 1876, culminating in the Compromise of 1877, effectively ended federal intervention in Southern affairs. This compromise resulted in the withdrawal of Union troops from the South, leading to the rise of Jim Crow laws and institutionalized racial segregation.

Simultaneously, the nation entered the Gilded Age—a term coined by Mark Twain—highlighting rapid

economic growth, industrialization, and the emergence of powerful tycoons. The period saw the consolidation of monopolies, expansion of railroads, and technological innovations that transformed the American economy into one of the world's largest.

The Interwar Period and World Wars

A Time of Turmoil and Transformation

Between 1918 and 1945, America navigated two world wars and the Great Depression, fundamentally reshaping its domestic and foreign policies.

This era underscores the shift from a relatively isolated nation to a global leader, with policies emphasizing both economic recovery and international engagement.

Cold War Era and Postwar America

The Bipolar World and Domestic Changes

Reconstruction as a Multifaceted Process

Contrary to traditional portrayals that cast Reconstruction as a failure or a brief interlude, the updated edition emphasizes its multifaceted nature. It was not merely about political reintegration but also about social transformation, economic restructuring, and the contest over racial justice.

- Political Reconstruction: The passage of the 13th, 14th, and 15th Amendments aimed to redefine citizenship and voting rights.
- Social Reconstruction: Efforts to integrate freedpeople into society, challenge old racial hierarchies, and promote education.
- Economic Reconstruction: Transition from plantation economies reliant on slavery to sharecropping, tenant farming, and industrial development.

Race, Power, and Resistance

A central focus of the updated edition is the enduring struggle over racial power dynamics. It explores how Black communities exercised agency, established institutions like churches and schools, and resisted oppressive structures.

- The rise of Black political leaders, including senators and governors.
- The formation of Black churches and schools as centers of community resistance.
- White supremacist backlash, including the rise of organizations like the Ku Klux Klan and the implementation of Black Codes and Jim Crow laws.
