- Interrupting or talking over others
- Dismissing someone's feelings or opinions
- Exhibiting impatience or rudeness

The consequences of jerk behavior extend beyond individual interactions:

- **Damaged relationships:** Friends, family, colleagues, and strangers may become distant or distrustful.
- **Workplace toxicity:** Environments where disrespect prevails often suffer from low morale and high turnover.
- **Personal reputation:** Consistently acting as a jerk can tarnish your image and lead to social isolation.
