- Cooperative Learning: Encouraging group work to foster peer learning.
- Flipped Classrooms: Assigning video lessons as homework, then using class time for discussion and practice.

Emphasizing Critical Thinking and Cultural Awareness

Beyond rote memorization, teachers are focusing on developing students' analytical skills. Activities include analyzing English texts, discussing cultural differences, and debating current issues.

Continuous Assessment and Feedback

Formative assessments, such as quizzes, peer reviews, and self-assessment, are used to monitor progress. Teachers provide constructive feedback to motivate improvement and identify areas needing reinforcement.
