In the early 2010s, Broward County Public Schools (BCPS) sought to strengthen school discipline and safety measures. The dress code became a focal point, rooted in the belief that appropriate attire contributes to a focused academic environment. Broward County's dress code aimed to strike this balance, emphasizing modesty, safety, and professionalism. Culturally, the policies aimed to respect diversity while maintaining standards conducive to an academic environment.

Core Components of the Broward County Dress Code (2013-2014)

The dress code during these years was comprehensive, covering various aspects of student attire and grooming. It was structured to be clear, enforceable, and aligned with educational goals.

- Non-Disruptiveness: Clothing should not distract or disturb the educational process.

Specific Clothing Items and Restrictions

The detailed list included, but was not limited to:

- Bottoms: Must be worn at the waist; no sagging pants or shorts shorter than fingertip length.

dress code as restrictive or overly rigid. Common concerns included:
