What Is an Enchantment of Ravens?

An enchantment of ravens is one of the many poetic collective nouns used to describe a group of ravens. Unlike generic terms like "flock" or "group," collective nouns such as "enchantment" imbue the gathering with a sense of magic and arcane power. The term is rooted in historical and literary traditions that often ascribe mystical qualities to ravens, elevating them beyond ordinary birds into symbols of prophecy, intelligence, and transformation.

English poetic collective nouns that date back to the 15th and 16th centuries, such as "a murder of crows" or "a parliament of owls." These terms reflect the human tendency to ascribe personality and narrative to groups of animals, often inspired by their behaviors, appearances, or mythological associations.
